PRICE 2 CENTS.

DO YOU FEEL THIS WAY.

Do you feel all tired out? Do you sometimes think you just can't work away at your profession or trade any longer? Do you have a poor appetite, and lay awake at night unable to sleep? Are your nerves all gone, and your stomach too? Has ambition to forge ahead in the world left you? If so, you might as well put a stop to your misery. You can do it if you will. Dr. Pierce's Golden Medical Discovery will make you a different individual. It will set your sluggish liver to work. It will get into every vein in your body and purify your blood. It will set your appetite to work. If there is any tendency in your family toward consumption, it will keep that dread destroyer away. Even after consumption has almost gained a foothold in the form of a lingering cough, bronchitis, or bleeding at the lungs, it will bring about speedy cure in 98 per cent. of all cases. It is a remedy prepared by Dr. R. V. Pierce, of Buffalo, N. Y., whose advice is given free to all who wish to write him. His great success has come from his wide experience and varied practice.

O. S. Copehaver, Esq. of Mount Union, Huntington Co., Pa. (Box 22) writes: "About twelve years ago I was suddenly taken with a pain in the pit of the stomach which was so violent I could not walk straight. It would grow worse until it caused waterbrash and vomiting of a slimy yellow water. A physician told me I had a form of dyspepsia and gave me about six months of medicine, but it did me no good. I then tried Dr. Pierce's 'Golden Medical Discovery' and the 'Pleasant Pellets' and in two months' time I was feeling better than I had for years before. I don't believe I was ever so well. I am now a dealer in taking inferior substitutes for Dr. Pierce's medicines, recommended to me 'just as good'."

THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was.

Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Dandruff, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Scalpitis, the scientific name for this germ, and consequently restores the hair to its natural state.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

WEAK HEART'S

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the heart. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol Dyspepsia Cure

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. Cures Indigestion, Dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured.

MRS. LORING NICHOLS, Penn Yan, N. Y.

I had stomach trouble and was in a bad state as I had heard trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me.

Rain Lightning and Snow.

Reports indicate that the storm of Monday and Monday night caused damage in southwestern Ohio estimated at several hundred thousand dollars and less serious loss in other parts of the State and in Kentucky and Indiana. Lightning struck a traction car near Middletown, Ohio, during the storm, and a lady passenger suffered a broken rib and other injuries in the panic that ensued. Two young women were seriously injured by lightning which struck a farmhouse near Marysville, Ohio. Seven persons were stunned by lightning near Circleville, Ohio, but all will recover. The damage to crops was especially heavy in Butler and Warren counties.

During a severe thunderstorm in Hagerstown, Md., yesterday afternoon lightning struck the station building at Cold Spring, along the electric line running from Greencastle to Pen-Mar Park. A number of persons were injured, the most seriously hurt being Mr. and Mrs. H. F. Whitmore, of Baltimore, who are stopping at Pen-Mar. Mr. Whitmore's side was paralyzed and his wife was badly burned by coming into contact with a live electric wire.

Hazleton, Pa., policemen and others who were abroad at that hour say that there was a lively flurry of snow in that city at about 1 o'clock yesterday morning. Following a week of intensely warm weather, the temperature began to drop Monday evening, and at midnight it was down to 45 degrees. The policemen say that when they first saw the snow fall they could scarcely believe their eyes, and several of them went even so far as to put out their hands and catch the flakes. They say that they found that it was the real thing, and tried to collect enough to make a midsummer snow high ball for the Mayor, in the morning, but did not succeed.

Bogus Voters in Philadelphia.

According to a statement made yesterday by the director of the department of public safety in Philadelphia, based on a canvass made by the police, there are 60,083 names on the voting lists of that city which, under the law, have no right to be thereon. The assessors in all the voting divisions of the city will be asked to strike the alleged fraudulent names from the lists.

One of the first official acts of Mayor Weaver after starting his campaign for municipal reform was to order the director of public safety to have a complete inspection made by the police of the voting lists, with a view of having stricken off every fraudulent name. The mayor did this because charges had been frequently made that at least 50,000 fraudulent votes were cast at the last two elections.

The police made the canvass, and reported 31,749 fraudulent names. The mayor was not satisfied with this report, and ordered a second canvass. This canvass was completed yesterday, and showed 60,083 fraudulent names.

Two other agencies—the city party, a reform organization, and city employees, exclusive of policemen—are making an independent canvass of the city.

During the two police canvasses Mayor Weaver became dissatisfied with the work of some of the men on the police force. Two lieutenants were dismissed, half a dozen others were transferred to other districts, and upwards of 200 policemen were ordered up for trial before the police board of inquiry for failing to report fraudulent names.

The Agapenomites.

There is joy among the Agapenomites, sectarians, who live in a retreat at Clapton, northeast London, known as the "Abode of Love." To Rev. J. H. Smyth, as the world knows him, but "the Messiah" as he calls himself and is called by his sect, has been born a son, who has been christened "Glory Smyth Piggott." The mother is Ruth Greece, a woman of independent means, who recently joined the community in the "Abode of Love." She fully believes that her heir is divine. The retreat is thronged by disciples eager to do homage to little Glory. The sect of the Agapenomites was founded by a fanatic known as Brother Prince about 13 years ago at Spaxton, England. Six years later he died and Piggott, who had been a sailor, miner, Episcopal clergyman, Salvation Army soldier, announced himself as leader. The Agapenomites, who are mostly well-to-do people of the lower middle class and who support Mr. Piggott in luxury believe that the judgment is at hand, have disregarded such "vanities" as marriage and hold other peculiar views that led to their church being mobbed about three years ago, since time they have conducted themselves as quietly as possible and shunned publicity.

Colic and Diarrhoea—A Remedy that is Prompt and Pleasant.

The prompt results produced by Chamberlain's Colic, Cholera and Diarrhoea Remedy together with its pleasant taste have won for it a place in many households. Mr. W. T. Taylor, a merchant of Winslow, Ala., writes: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy myself and also with men on my place, for diarrhoea and colic and it always gives relief promptly and pleasantly." For sale by Gibson and Timberman and W. F. Creighton & Co.

The Secret of Good Coffee

Even the best housekeepers cannot make a good cup of coffee without good material. Dirty, adulterated and queerly blended coffee such as unscrupulous dealers shovel over their counters won't do. But take the pure, clean, natural flavored

LION COFFEE, the leader of all package coffees—the coffee that for over a quarter of a century has been daily welcomed in millions of homes—and you will make a drink fit for a king in this way:

HOW TO MAKE GOOD COFFEE.

Use LION COFFEE, because to get best results you must use the best coffee. Grind your LION COFFEE rather fine. Use 1½ tablespoonsful to each cup, and one extra for the pot. First mix it with a little cold water, enough to make a thick paste, and add white of an egg (if egg is to be used as a settler), then follow one of the following rules: 1st. WITH BOILING WATER. Add boiling water, and let it boil three minutes only. Add a little cold water and set aside five minutes to settle. Serve promptly. 2d. WITH COLD WATER. Add your cold water to the paste and bring it to a boil. Then set aside, add a little cold water, and in five minutes it's ready to serve.

3. Don't boil it too long. Don't let it stand more than ten minutes before serving. Don't use water that has been boiled before.

TWO WAYS TO SETTLE COFFEE.

1st. With Eggs. Use part of the white of an egg, mixing it with the ground LION COFFEE before boiling. 2d. With Cold Water. Instead of eggs. After boiling add a dash of cold water, and set aside for eight or ten minutes, then serve through a strainer.

Insist on getting a package of genuine LION COFFEE, prepare it according to this recipe and you will only use LION COFFEE in future.

The Famine in Spain.

The famine which commenced in Spain last March has now reached the point of actual starvation throughout the fertile valley of Andalusia. The workmen are unable to secure food. They are too weak to work, and are becoming desperate. The children are living on fir cones and the fruit of the wild cactus. It is said that the Spanish government has entirely failed to give relief, and that, as the money grants are absolutely inadequate to meet the necessities, the resources are completely exhausted. Hunger riots are of daily occurrence in certain places, and are becoming more and more serious. Theft and pillage are common, and it is impossible to maintain order. Reinforcements of the civil guard are needed in every town and village. Not a drop of rain has fallen in that district since March, and the summer and autumn crops will be ruined unless rain falls soon or the government realizes the situation and takes steps to remedy the conditions. It is feared that the peasantry will take the law in their own hands, and even now signs of open revolt are plentiful, and exasperation at the government's inaction is becoming daily more pronounced.

Grave Trouble Foreseen.

It needs but little foresight, to tell, that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "My heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by E. S. Leadbeater & Sons, druggists at 50c a bottle.
